

## New Brunswick Insulin Pump Program

### Appendix 1: Approved Vendors: Devices and Supplies

Approved vendors updated April 2021

#### Medtronic of Canada Ltd.

\*IPP supplies funding for 14 boxes of 10 (max 140 units) infusion sets per year.

Device Name	Model Number	Description
<b>MiniMed™ 770G Insulin Pump System</b>	MMT 1891KCN	Insulin pump with SmartGuard™ Auto Mode technology - Bluetooth-enabled version - Suspend on Low. 3.0 mL reservoir only
<b>MiniMed™ 670G Insulin Pump System Kit</b>	MMT 1762KCN	Insulin pump with SmartGuard™ Auto Mode technology - Suspend on Low. 3.0 mL reservoir only
<b>MiniMed™ 630G Insulin Pump System Kit</b>	MMT 1754K	Insulin pump with SmartGuard™ technology - Suspend on Low. 3.0 mL reservoir only
<b>Bayer Contour Link Blood Glucose Meter</b>	HMS 9589B	Blood glucose meter which transmits glucose values directly to Veo insulin pump
<b>Quick-Serter</b>	MMT 395	Insertion device for Quickset infusion sets
<b>Sil-Serter</b>	MMT 385	Insertion device for Silhouette infusion sets
<b>Sof-serter</b>	MMT 300	Insertion device for Sof-set infusion sets
<b>Medtronic CareLink™ USB</b>	MMT 7305	USB to upload data to CareLink™ Personal web-based software
<b>MiniMed® Paradigm® Reservoir</b>	MMT 326A	1.76 ml reservoir for use in either 5 or 7 series Paradigm Insulin pumps
<b>MiniMed® Paradigm® Reservoir</b>	MMT 332A	3.0 ml reservoir for use in 7 series Paradigm Insulin pumps only
<b>MiniMed™ mio™ 30 infusion set</b>	MMT 905600	13mm Cannula infusion set, 23" length Tubing
<b>MiniMed™ mio™ 30 Advance infusion set</b>	MMT 242600	6mm Cannula infusion set, 23" length Tubing
<b>MiniMed® Paradigm® Silhouette Infusion Sets</b>	MMT-368600 13mm 18" MMT-377600 17mm 43" MMT-378600 17mm 28" MMT-381600 13mm 23" MMT-382600 13mm 43" MMT-383600 13mm 32" MMT-384600 17mm 32"	13mm or 17mm Teflon cannula infusion set with variable length tubing
<b>MiniMed® Paradigm® Quickset Infusion Sets</b>	MMT-386600 9mm 32" MMT-387600 6mm 32" MMT-394600 6mm 18" MMT-396600 9mm 43" MMT-397600 9mm 23" MMT-398600 6mm 43" MMT-399600 6mm 23"	6mm or 9mm Teflon cannula infusion set with variable length tubing

<b>MiniMed® Paradigm® mio™ Infusion Sets</b>	MMT-921600 6mm 18" MMT-923600 6mm 23" MMT-941600 6mm 18" MMT-965600 6mm 32" MMT-975600 9mm 32" MMT-943600 6mm 23"	all in one infusion set and insertion device. 6mm or 9mm cannula with variable length tubing

## Insulet Canada Corporation - OmniPod™ Insulin Management System

\*IPP supplies funding for 14 boxes of 10 (max 140 units) of Pods per year

Device Name	Model Number	Description
<b>OMNIPOD INSULIN MANAGEMENT SYSTEM - (POD)</b>	POD-ZXR325	Internal insulin reservoir and pumping mechanism <ul style="list-style-type: none"> <li>• Small and lightweight (weighs 34 grams with a empty reservoir)</li> <li>• Strong adhesive</li> <li>• Stores personalized basal settings (so PDM can be out of range)</li> <li>• Built-in insertion components: angled infusion set and automated inserter</li> <li>• Durable, waterproof exterior</li> <li>• Customizable reminders</li> </ul>
<b>OMNIPOD INSULIN MANAGEMENT SYSTEM - PERSONAL DIABETES MANAGER (English)</b>	PDM-CAT35E	Simple, intuitive sentences walk you through every delivery (from automatic priming and insertion to bolusing) <ul style="list-style-type: none"> <li>• Large, colour screen with bright mode</li> <li>• Built-in FreeStyle® blood glucose meter</li> <li>• Test strip port light</li> <li>• Carb Presets can be entered for your favourite foods, snacks, or entire meals</li> <li>• Suggested bolus calculator</li> <li>• Port for downloading records to the CoPilot® Health Management System</li> </ul>
<b>OMNIPOD INSULIN MANAGEMENT SYSTEM - PERSONAL DIABETES MANAGER (French)</b>	PDM-CAT35F	Simple, intuitive sentences walk you through every delivery (from automatic priming and insertion to bolusing) <ul style="list-style-type: none"> <li>• Large, colour screen with bright mode</li> <li>• Built-in FreeStyle® blood glucose meter</li> <li>• Test strip port light</li> <li>• Carb Presets can be entered for your favourite foods, snacks, or entire meals</li> <li>• Suggested bolus calculator</li> <li>• Port for downloading records to the CoPilot® Health Management System</li> </ul>
<b>OMNIPOD INSULIN MANAGEMENT SYSTEM - STARTER KIT (English)</b>	SKT-CAT35E	1 Personal Diabetes Manager1 USB Cable1 User Guide1 Carrying Case1 Software CDChoice of PDM gel skin cover available in 7 different colours
<b>OMNIPOD INSULIN MANAGEMENT SYSTEM - STARTER KIT (French)</b>	SKT-CAT35F	1 Personal Diabetes Manager1 USB Cable1 User Guide1 Carrying Case1 Software CDChoice of PDM gel skin cover available in 7 different colours

## Tandem Diabetes Care

\*IPP supplies funding for 14 boxes of 10 (max 140 units) infusion sets per year.

Device Name	Model Number	Description
<b>t:slim X2™ insulin pump with Basal-IQ™ technology</b>	1006419	Insulin pump (Dexcom G6® CGM enabled) mmol/L
<b>Accessory Kit - EN</b>	1006816	
<b>Accessory Kit - FR</b>	1006730	
<b>t:slim X2™ insulin pump with Control-IQ™ technology</b>	1005611	Insulin pump (Dexcom G6® CGM enabled) mmol/L
<b>Accessory Kit - EN</b>	1005583	
<b>Accessory Kit - FR</b>	1005585	
<b>AutoSoft 90 infusion set</b>	1002817 (grey) 1002821 (pink) 1002823 (blue)	6mm cannula, 23"/60cm tubing
<b>AutoSoft 90 infusion set</b>	1002818 (grey)	6mm cannula, 43"/110cm tubing
<b>AutoSoft 90 infusion set</b>	1002819 (grey) 1002822 (pink) 1002824 (blue)	9mm cannula, 23"/60cm tubing
<b>AutoSoft 90 infusion set</b>	1002820 (grey)	9mm cannula, 43"/110cm tubing
<b>AutoSoft 30 infusion set</b>	1002825	13mm cannula, 23"/60cm tubing
<b>AutoSoft 30 infusion set</b>	1002826	13mm cannula, 43"/110cm tubing
<b>VariSoft infusion set</b>	1002827	13mm cannula, 23"/60cm tubing
<b>VariSoft infusion set</b>	1002828	13mm cannula, 32"/80cm tubing
<b>VariSoft infusion set</b>	1002830	17mm cannula, 23"/60cm tubing
<b>VariSoft infusion set</b>	1002832	17mm cannula, 43"/110cm tubing
<b>TruSteel infusion set</b>	1002833	6mm cannula, 23"/60cm tubing
<b>TruSteel infusion set</b>	1002834	6mm cannula, 32"/80cm tubing
<b>TruSteel infusion set</b>	1002835	8mm cannula, 23"/60cm tubing
<b>TruSteel infusion set</b>	1002836	8mm cannula, 32"/80cm tubing

<b>t:slim® Cartridge</b>	1002541	t:lock Connector
