

## **Update on the new Atlantic Immigration Program**

**December 17, 2021**

Please find the new Atlantic Immigration Program [news release](#)

Immigration, Refugees and Citizenship Canada (IRCC) has announced that the new Atlantic Immigration Program (AIP) will launch on January 1, 2022.

Employer designations under the Atlantic Immigration Pilot Program (AIPP) will expire on December 31, 2021.

To participate in the new Atlantic Immigration Program, employers will need to be redesignated.

As a reminder, all AIPP-endorsed candidates must apply for permanent residence before March 5, 2022.

As the launch of the permanent AIP approaches, our website will be updated regularly to inform employers, applicants, and stakeholders on developments and how to participate. The permanent program website at [IRCC](#) will go live on January 1, 2022.

More information will be posted on our [www.welcomenb.ca](http://www.welcomenb.ca) site over the coming weeks.
