

NOTICE

Effective September 19th, 2019, we are transitioning to an online application system.

During the transition, there could be some interruptions to service as the new system stabilizes. Please continue to monitor our website.

This modernized system will allow us to offer a more secure and efficient approach to managing immigration applications under the Provincial Nominee Program and the Atlantic Immigration Pilot.

Paper-based applications that include a post-date mark which indicates that the application was sent via mail prior to September 1st, 2019 will be accepted. However, paper-based applications will no longer be accepted as of September 1st, 2019.

Any paper-based applications received after September 1st, 2019:

- will not be processed;
- will be returned to the applicant together with any applicable fees;
- will result in a notification that the application must be submitted online.

Current clients who have not yet received a decision on their file will be contacted via email with instructions for accessing the new online system.

Please continue to monitor the www.welcomenb.ca for updates on the new system's launch and for more information about applying to New Brunswick's application streams.
